## SWEDEN - CAPERCAILLE

### *Capercaille hunting with cross skies*

#### **Hunting**

We will use Cross skies to ski around in the area and when we spot a Capercaille we will try to stalk up to it. Its necessary to use white camo and the shooting range will mainly be 100 – 250 m.

Day 1: Arrival Day in Östersund arctic Sweden, transfer to hunting area app. 1 hour. The 45 minutes with snowmobile in to the lodge.

Day 2 – Day 4: Hunting day

Day 5: Transfer to airport

#### **Open season**

1st – 31st January

#### **Group Size**

2-6 hunters

#### **Accommodation**

Hunting lodge in the area

#### **Clime**

The temperature during this period of year will be around -20 to 0 degrees Celsius.

#### **Weapon**

Recommended calibres are 222, 223, 243 up to 270 in the bigger calibres its necessary to use full metal jacket. Its important that it's a good scope on the rifle with GOOD accuracy. Grouse will be hunted with .22

#### **Airports**

You will arrive at Östersund airport.

#### **Accommodation**

The accommodation is in the middle of the area, reached by snowmobile. There is no electricity but run with gas for light, warm water(shower) there is also a sauna by the lake. So its very comfortable.

The food that will be served will mainly be from the local area. Typical is Moose meat, Reindeer, Capercaille and Grouse.
