HUNTING FALLOW-DEER IN AUSTRIA

Hunting a very shy game – Fallow-Deer

The very interesting and lively Fallow-Deer has not been domestic in our regions in former times. After the destruction of some fenced areas with Fallow-Deer we find quite a few of this game in free range nowadays.

We hunt Fallow-Deer from September to January either by stalking or hunting it from blinds. The best time for hunting Fallow-Deer is fall or winter.

Details

Hunting period: 1. September – 28. February

Hunting area: All over Austrian.

Recommended program of the hunt

1st day: arrival at the airport (Vienna, Linz, Salzburg or Munich), transfer to accommodation from 60 to 180 minutes drive (depending on the airport),
2nd day: meet the stalkers in the early morning and discuss the details, hunting
3rd, 4th, 5th, 6th day: hunting
6th day: transfer to the airport and departure

This hunt can be combined with all our other game (Chamois, Mouflon, Red-deer, Fallow-deer, Pigs) depending on the current official shot time and availability. Let us know what you are interested in to give you more detailed and customized personal information.
