HUNTING CAPERCAILLIE & BLACKCOCK IN AUSTRIA

Very special hunt for Capercaillie, Blackcock in the Austrian mountains

Capercaillie and Blackcock are very rare today and there are not many places left in all over Europe to hunt this game.

Luckily we have some areas in the Austrian alpine regions with good population and are able to get precious few pieces per year. Bookings have to be made at least a year in advance for this very rare and special hunting experience.

Capercaillie and Blackcock are hunted in May only. The only way to be successful is the hunt in the very early morning or evening.

Details

Hunting period: May only

Hunting area: In the eastern Austrian Alps.

Recommended program of the hunt

1st day: arrival at the airport (Vienna, Linz, Salzburg or Munich), transfer to accommodation from 60 to 180 minutes drive (depending on the airport),
2nd day: meet the stalkers in the early morning and discuss the details, hunting
3rd, 4th, 5th, 6th day: hunting
6th day: transfer to the airport and departure

This hunt can be combined with all our other game (Chamois, Mouflone, Red-deer, Fallow-deer, Pigs) depending on the current official shot time and availability. Let us know what you are interested in to give you more detailed and customized personal information.
