## HUNTING IN ENGLAND AND WALES: FACCOMBE ESTATE

### *Roe & Fallow Deer Stalking*

The estate is set in the heart of Hampshire just one hour's drive from London and is considered to be one of the top shooting locations in the south of England. The perfectly managed rolling valleys provide ideal terrain to stalk Roe and Fallow deer.

---

### **The Stalking**

The estate offers the option of stalking by foot or from one its many high seats. The keeper has worked on the estate for 18 years and is as resourceful and knowledgeable a stalker as you are likely to find. He will accompany you during the stalk however he will allow experienced stalkers to take the lead if requested. The prime time to conduct the stalk is either at dawn or dusk when the deer are most active and you will be advised prior to arranging your visit as to the best time to come dependant upon local conditions. There is a good chance that you will be given the opportunity to shoot either a bronze, silver or gold trophy Roe Buck.

---

### **Location**

The estate is located near Newbury, a one-hour drive from London. Around the area are the historic cities of Winchester and Salisbury as well as the mystical Stonehenge. All of which are worth a visit between morning and evening stalks.

---

### **Accommodation Options**

There are a wide number of locations where you can stay prior to or after the days deer stalking which we can arrange depending upon your requirements. A couple of examples:

**Esseborne Manor:** The Manor is located on a hill overlooking the Bourne Valley, which is an area of outstanding natural beauty. The Manor has been converted from a private country retreat in to a stylish hotel whilst retaining a homely feel. Esseborne Manor is located 5 minutes by car from the estate.

**The Jack Russell:** Located within the village of Facombe is the Jack Russell pub, which is a very quaint and friendly local pub. They offer B&B accommodation.
