HUNTING ALPINE CHAMOIS IN SLOVENIA

1st of August – 31st of December

Slovenia is a small country in the Alps, with peaks high up to 3500 meters and many chamois. The hunt is done by stalking and lodging is provided in hunting houses or in small hotels in tourist areas.

This hunt is relatively difficult and asks for a good physical preparation. Moreover this hunt is very well organized, with guides that know the animals and the area perfectly.
